- You must provide your own 50-foot extension cord.
- These prices will go up after March 31st, 2022

Requirements:

1. All craft vendors must participate in the jurying process to be considered for a booth space at this festival. The jury committee will be appointed by the Sucker Days Committee, and any decision of the jury is final.

2. Any craft vendor seeking a booth in this festival must submit the attached Application together with all the following items:

a. Non-refundable Jurying Fee of \$10 (Note: this fee is per application, not per booth.)

b. Booth Rental Fee: If a vendor must cancel his/her booth space three weeks or less before the festival or the vendor's merchandise is excluded or rejected from the festival after the festival has begun due to misrepresentation of the craft by the vendor or because the craft does not meet the guidelines, monies will be forfeited. However, the Eventbrite standards are set to give you a refund 7 days before the event, but we will abide by our standards and will not provide refunds three weeks out.

c. Photographs of items to be sold in the vendor's booth. The photographs will be used to determine the acceptability of each proposed craft for the festival. All items must be clearly visible and recognizable in the photographs. Items not clearly represented

Nixa Sucker Day • 106 W. Sherman Way, Suite 6 • Nixa, MO 65714 •

Phone: 417-725-1545

in the application photos may be excluded or rejected from the festival by the Sucker Days Committee at any time, without question. NEW PHOTOS MUST BE SUBMITTED EACH YEAR. Please submit photos and personal information (booth name, contact person, contact information) via the Jury Application. Photos become property of the Sucker Days Committee. We use this step to prevent sale of non-handmade craft items.

d. A simple written description of the crafting process used by the vendor.

3. Sucker Days is a three-day festival. To attract good crowds each day, we ask that crafters have their booths open all three days of the festival. If you do not open your booth both days of the festival (except in cases of inclement weather), you will not have a booth space next year. No commercially produced products, imported products, or products sold through home sales may be displayed or sold at this festival.

4. All clothing and woodcrafts must be handmade. Pre-made, store bought, or market items may not be sold or displayed. All items must be designed and assembled by hand by the booth vendor. Pre-made bushes or arrangements, such as those that come from market, will not be accepted.

5. Cash awards will be presented to winning vendors judged to be the Best of Show in several categories based on the booth entries for that year. The cash award is \$50 or \$50 off your booth rental fee for the next year.

6. Each vendor must run his or her own booth personally.

7. The Sucker Days Committee prefers that you demonstrate your craft in your booth, if possible. Such demonstrations generate crowd enthusiasm.

8. No vendor will be permitted to exceed their assigned 10' x 10' booth space. If a vendor uses anything that exceeds beyond the allowed 10' x 10' space, the vendor must rent an additional booth space. No vendor may block any sidewalk or designed walkway.

9. No campers, trailers, car, bicycles, four wheelers, off-road or other vehicles will be allowed on Downtown Main St. or any designated festival areas during the day. All vehicles must be off the street and all designated festival areas by the end of their set up time on Friday and will not be allowed back onto the street until the closing time of 6:00 PM on Sunday.

10. This is an outdoor show held on asphalt. Each vendor is responsible for providing his or her own protection from the weather. You may not drive stakes into the asphalt. If you have a tent it must have weights.

11. You will receive by mail, email, or phone either a confirmation of your acceptance as a vendor or a rejection of your application.

12. If your booth space is not occupied by 7:30 PM on Friday, the next vendor on the waiting list will be assigned the empty space.
13. Booths must be open by 9:00 a.m. until 10 p.m. on Saturday, weather permitting. You are required to pick up all trash and debris from your booth space prior to leaving.
14. Food and home canned or jarred items are not permitted, due to Department of Health and Chamber of Commerce Regulations.
15. For the safety and comfort of our guests, and vendors we do not allow the following items: “poppers” type fireworks, “stink bombs,” “disappearing inks,” “silly string,” squirt guns of any type, certain types of knives, or other products which you may be advised of on Sucker Day.
